Hello

Thank you for your emails. We have now received everything apart from the FRA. The previous email contained some flood risk mapping and the SFRA form but I couldn't see a Flood Risk Assessment, please send it over and I will let you know if it's ok.

Dear Sir/ Madam,

I am writing to you in order to ask you if you could provide me with the invalid letter containing the list of documents you required us to provide you with for the application with reference: PP-11199178 for the proposal at Land West of 6 Birch Grove that you were not able to send yesterday due to the difficulties with your email service.

I also wanted to ask if you think the flood assessment we provided in the previous email is sufficient or we would need to get a professional consultant to do the assessment?

Kind regards

Tomas
