

PROPOSED EXTENSION TO  
16 Collin Close, Willersey

FOR MR and MRS M BRIDGEMAN

Water Management Statement

## Water Management Statement

### **1 Storm Water**

New rainwater downpipes will be taken to the existing system and fitted with water butts with integral overflow.

### **2 Water Supply**

Water supply will be extended to new bathroom and utility. WCs to be fitted with dual flush.

### **3 Foul Water**

Foul water will be taken to the existing system and extended to accommodate new bathroom and utility.

### **4 Flooding**

Given the location, flooding is very unlikely to be a concern.
