Description of Proposed Works
Please describe the proposals to alter, extend or demolish the listed building(s)
The main front roof, extension roof and small stairwell roof (at rear) coverings are to be replaced. We will remove the existing Redland 51 tiles and replace them with new Sandtoft modula double roman clay roof tiles (445mm x 330mm). The tiles will be fitted on new treated laths over a breathable membrane, the tiles will be nailed in place and a new dry verge employed. Associated work will be to fit new ridge tiles (clay half round, using a dry ridge system), new lead flashing to the chimney stacks and a new lead valley and box gutters. The overall structure of the roof will not be changed by this work - the intention is to only replace the existing covering which has deteriorated to the point of failure due to age.
