Description of Proposed Works

Please describe the proposed works

The proposal comprises a storey and a half extension in rendered traditional construction with dormer slate roof to form living and dining space with two bedrooms and bathroom within the eaves, accessed directly from the ground floor. forming a new Kitchen and circulation space connecting to the original footprint of the property.

Internal alterations are proposed within the existing property to form access to separate eaves bedroom, creation of Utility and storage areas and to reconfigure eaves bedroom for new staircase, bathroom and dressing area.

Dormer windows will replace existing roof light panels on the existing South facing slate roof, complimented by dormer widows facing East on the new extension.

The only external alterations proposed for the existing property are the formation of connecting openings for circulation to new areas and external render to align with extension finishes.

The new extension will share services from the main house with proposed replacement of oil-fired central heating system to electric environmentally favoured heat pump system. Water is via mains metered supply from main house. Electricity is via National grid metered supply from main house. The existing septic tank will be uprated and relocated to suit new extension position, compliant with current 2020 regulations.

It is considered there will be no adverse impact on the local landscape. There are no listed buildings or conservation areas in the vicinity. There is no landscape designations or protected landscapes in the area.

The access to the area is via a gated entrance with parking and turning area for 2/3 cars. There is no change to the access proposed and there would be no parking issues relating to this proposal.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
