The ability to use a S96a application to amend the timing of information required to enable implementation of a permission was discussed and the officer agreed that the relevant regulations did allow for this. Following which, evidence was presented demonstrating that other authorities have accepted a S96a application as a suitable mechanism for securing flexibility and allowing variations to the timing of the condition requirements.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
