Further Information:

It's important that you understand the following implications of whether or not you submit a representation to the local planning authority about the proposed development:

- If **any** of the owners or occupiers of any adjoining premises object to the proposed development, then the local planning authority **will** assess the impact of the proposed development on the amenity of any adjoining premises, and must take into account all representations made as a result of this consultation letter. The local planning authority will
