

1. Do not scale this drawing - if in doubt ask.
 2. All sizes to be checked on site prior to construction.
 3. This drawing is the copyright of the author.

These drawings are based on a measured survey carried out in Feb 2022 and interpreted against an existing cad site plan indicating the discontinuous arrangement at party walls as shown. Lack of additional record drawings or physical access to this area has led to the grids shown being interpreted and rationalised. A detailed destructive survey is recommended including structural engineer input for any proposed works.
