Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The appearance of the front of the house is to be modernised. The shape, size or use of the house is not being altered. No changes are being made to the roof, no negative impact is to be had upon neighbours. The house is not situated within a conservation area. The disruption that this will have upon other homeowners in the area is minimal. There is going to be no demolition undertaken. The building is not listed. I have completed the self assessment form provided by my local council and have answered no to all 28 questions provided on the questionnaire.
