 - Proposed log pile

Proposed Locations
Wall-mounted bird balls by Green&Blue

Wall-Mounted Bird House

Proposed Bird Boxes to be hung from facade of house, at least 3m above ground level, facing north-east.

CJ Wildlife Capri Insect Hotel

Proposed Insect Hotels to be fixed to walls at a height of 1.5m above ground level.

Hedgehog Friendly Fencing

Proposed Hedgehog friendly gravel board to be installed either side of new fence installation at rear garden boundary.

Integrated Bee Brick

Proposed integrated bee bricks for seamless integration into new proposed retaining wall at drive.

Solitary Bee Cells

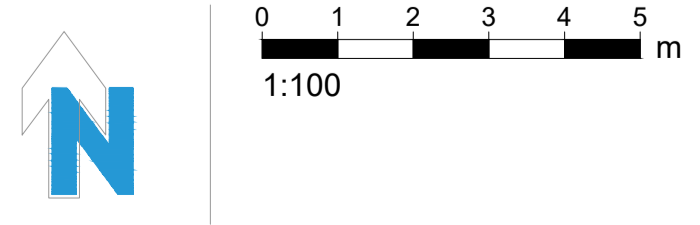

Proposed recycled concrete nesting cells for solitary bees for installation within stone walls or log piles.

Proposed log pile

Proposed log piles constructed from dead wood from removed on-site hardwood trees. 10-15cm diameter logs with bark still attached, laid horizontally with dead leaves in a semi-tidy pyramidal pile. 2m long, 0.5m height.
