Why do you consider that a Lawful Development Certificate should be granted for this proposal?

As discussed between the applicant and Mr Paul Round by email (supplied) culminating with Mr Round's email of 10 March 2022, Mr Round having considered sketches, the proposal will constitute permitted development pursuant to GPDO 2015 Schedule 2 Part 2 Class A, as the height of the means of enclosure will not exceed 2m above ground level, and bollards when rased will not exceed 1m, such will not create an obstruction to the view or persons using the highway as to be likely to cause danger to such persons pursuant to A.1a(i). There is an existing fence and gates as Mr Round accepted and can be seen on inspection and in the email traffic.
