Dear Mr Flannaghan

SDNP/22/02392/LIS – Burton Mill Burton Park Road Barlavington West Sussex GU28 0JR  
Resurface driveway.

I am emailing regarding the application referenced above and to introduce myself as the case officer who will be dealing with your application. Before I visit the site and post the notice I would like to make the following comments.

The submitted block plan (drawing 002) indicates the proposed hardstanding would have no physical connection to the listed building or any listed structures within the curtilage of Burton Mill. If this is the case listed building consent is not required and this application can be withdrawn.

Please be aware the proposal does not benefit from permitted development rights as set out under Part 1 of Schedule 2 Class F of the Town and Country Planning (General Permitted Development) Order 2015 as amended.

An application for householder planning permission is required. Please see the following link which contains a link to the SDNP validation list.
