Subject: RE: 22/00326/FULHH-Copper Dale 2 Goadby Road Waltham On The Wolds LE14 4AG

Dear Alex,

The Parish Council met on Monday 30th May to discuss this application.

The Council fully supports a move to greener energy, but is concerned that in this instance the installation of solar panels on a roof within the conservation area of the village would be detrimental to preserving the historical architecture heritage and the appearance of the building.

For this reason, the Council would like to register its objection to the application.

Kind regards

Nancy Denny

Clerk to WOTWATA Parish Council
