TO WHOM IT MAY CONCERN

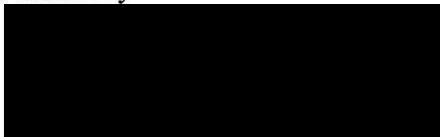

Berrows, Wotton Road, Rangeworthy, Bristol BS37 7NR

I write with regard to the above and, to confirm that in June 2013, I attended the above site to undertake building work.

I was employed by Mr M Howes of Barnhill Court Farm, Bagpath, Kingscote, Tetbury GL8 8YQ. I undertook the works which included formation of a new Window Opening commencing the conversion of the building in accordance with the planning permission to convert it to a dwelling.

I was aware that the works were to ensure formal recognition that building works had commenced and I confirm that I sincerely believe this was therefore the situation.

Yours faithfully

Keith Browning
