

ONLINE CONSULTEE RESPONSE ON PLANNING APPLICATION 22/10714

Location	LITTLE TESTWOOD FARM, SALISBURY ROAD, CALMORE, TOTTON SO40 2RW
Received Date	20 June 2022
Comment Only received from	NFDC Conservation

No additional harmful impacts on setting of listed building beyond those identified in previous planning permission for warehouse/office use. Scale of proposal appears to create no additional harm to setting.

Would defer to environment and design team and previously identified principles to ensure a building at the front of the site with parking hidden behind. These were set out in detail during previous applications.

Warren Lever
Senior Conservation and Building Design Officer.
