

NOISE IMPACT STATEMENT

FOR

PROPOSED

ELONGATION OF EXISTING

MENAGE

AT

REEDS FARM,

EMPSHOTT, HANTS

FOR

MR AND MRS POLLECOFF

This Noise Impact Statement is to accompany the attached planning application for the proposed elongation of the existing Menage at Reeds Farm, Empshott, Hants.

There will be no Noise Impact to any surrounding areas for the proposed works as all works are being carried out are within open ground and the only machinery likely to be used will be a small excavator for levelling the ground area.
