Proposed Elevations 1-200 @A3

Extract from the 'Permitted development rights for householders: technical guidance':

PART A- Rear and side extensions

Where an extension fills the area between a side elevation and a rear wall, then the restrictions on extensions beyond rear walls and side walls will both apply (see also page 20). The extension must:

- (i) extend no more than 6 metres beyond the rear wall, or no more than 8 metres in the case of a detached house (or no more than 3 metres beyond the rear wall, or 4 metres for a detached house on article 2(3) land or sites of special scientific interest),
- (ii) be a single storey and must not exceed 4 metres in height;
- (iii) have a total width that does not exceed more than half the width of the house (measured at its widest point).
