Details of the pre-application advice received

As we understood it, advice given was that there would be no objection to the beam removal as it was a recent addition adding a first floor to a previously single storey building and of no architectural significance.
The window addition would not be opposed as it is in a more recent extension to the listed house and is not visible from the front/road aspect.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
