Details of the pre-application advice received

Following a previous refusal (ref 21/01402/FLH) owing to the first floor side extension not being considered acceptable, pre-application feedback regarding the design of the first floor side extension was sought from Epsom & Ewell council planning authority (pre-application ref 22/00515/PREAPP).

The feedback during this process was incorporated and the design amended accordingly. The final written feedback confirms that the officer is happy with the amendments and considered the proposed design of the first floor side extension to now be acceptable.

The design of the ground floor extension has already been confirmed as acceptable within the delegated officer's report from the previously refused application (ref 21/01402/FLH).
