The consensus is that the scheme is vastly improved and at this time I believe its design to be acceptable, impact on heritage assets aside. I consider the scale and massing to be appropriate, and the choice to largely mirror the extension to the opposite end-terrace property is certainly in keeping with local character.  
Of course, the key to a favourable outcome will rely on the comments of the Heritage Officer.

## Authority Employee/Member

**With respect to the Authority, is the applicant and/or agent one of the following:**

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

No
