Description of Proposed Works

Please describe the proposed works

The conversion of the 1930's Glencroft bungalow into a home that will provide function and dramatically improve the homes environmental impact with the incorporation of renewable technologies. The refurbishment will create a 3 bedroom, 2 storey home (room in roof) with a large kitchen/ dining & living area to the rear of the property, facing South West. Downstairs will consist of; 2 double bedrooms, family bathroom, snug, kitchen/ diner & utility/ plant room. Upstairs will consist of a master bedroom with en suite, dressing room/ baby room & office/ store.

Renewable technologies including Mechanical Vent Heat Recovery and an Air Source Heat Pump will be incorporated in to the build to increase the performance of the bungalow. Remedial works will be carried out to the existing cavity walls to improve their thermal performance.

The ridge height will be amended and raised by circa 150mm, this is due to the hip to gable end conversion of the roof at the rear of the property by forming an apex to allow for better drainage, additional insulation and a more appropriate roof form.

There will also be a conversion of the single garage in to a double garage with pitched roof.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
