The project involves the reroofing of the existing property removing the bold roll concrete tiles and replacing with dark grey mini stonewold .

All windows and fascias will be replaced in a dark grey UPVC.

The complete bungalow will be rendered in cement sand and painted white .

The kitchen will be extended to the rear and an en suite shower room added .

Other remodeling will include new paths and a slightly widened drive to the front with a raised patio area to the rear giving views over the large rear garden.
