

Product Description

Eco-Flex Fibre is a high quality foam backed carpet. Ideal for lunge pens and general use arenas.

Key Features

- ✓ Offers the best of both, with light impact absorption from the foam, whilst the carpet fibres bind slightly to offer traction and support.
- ✓ Great for lunge pens.
- ✓ Perfect for general use arenas.
- ✓ Consistent and durable.
- ✓ Minimal kickback or surface movement with fantastic stability.
- ✓ Minimal to no dust, even in an indoor arena.
- ✓ Offers excellent energy return.
- ✓ Frost resistant.
- ✓ All-weather surface meaning year round usage.
