Dear Sir/Madam

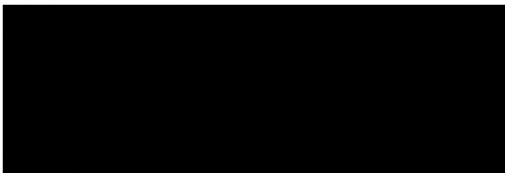

I enclose paperwork regarding an Application for Works to a Tree subject to a TPO at the address above.

The Assessment by Coastal Tree Consultancy was originally sent to me digitally and in colour. If this is preferable for your files than I can forward this to you by email.

Originally I wanted to apply to remove the Tree due to the large size of the tree and 3m proximity to the House and also being adjacent to Road & Power/Telecom lines. However, after receiving the Report which concluded a generally healthy tree I have tabled an Application along with the recommendations of the Report, namely Crown Reduction and removal of epicormic stems together with future annual pruning.

I look forward to hearing from you in due course

Kind regards

Steve Hart
