

**Notes:**

- All dimensions in millimetres (mm) and levels in metres (m) unless noted otherwise.
- This drawing to be read in conjunction with all other relevant drawings and specification and the Engineer of the project's details.
- All work to comply with the relevant British Standards, Codes of Practice and the Building Regulations.
- Builder/owner must inform the Building Control Officer and the Engineer/Designer immediately of any unforeseen site conditions.
- Any issues caused as a result of builders/owners not working to the approved drawings and or not following instructions of Building Control Officers, will make them liable for any consequential issues.
- The appointment of Narch is limited to prepare architectural building regulations drawings and submission to Building Control Authority only for their check and approval. The project is strictly subject to plan check, inspection and monitoring by The Building Control Authority of client's own choice.
