Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The property is a Residential Dwellinghouse, which falls under C3 class use. We will not be making any external alterations or extending the property. We only wish to use the property as explained below.

We are currently looking to purchase the above property to use as a Small Children's Home. The property would be used to house children (a maximum of 3) on a residential basis with 2 members of staff sleeping at the property on a shift basis. During the day we could have a maximum of 3 Carers (including the Manager). This will depend on the needs of the children. All bills will be collective and all communal facilities would be shared, as they would be living together as a single household where care is provided. Each of the children would have their own bedroom but would share the bathrooms. The children will be aged between 7 – 17 years old.

From the Guidance which we have been previously given by multiple Local Authority Planning Departments, we understand that such a property would not require further planning permission as the premises have the look and character of a conventional residential dwelling and the use gives rise to no greater level of disturbance or amenity effects than could be generated by C3 (dwelling house) use. Therefore, no material change of use will occur.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Is the proposed operation or use

- Permanent
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The property is currently a 4 bedroom semi-detached house with a garage and garden with off road parking. We will not be making any changes to the property. This will be the childrens home and will be used in the same way as any family home. Therefore we believe no material change of use will occur.

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
 No

Please state the applicant's interest in the land

- Owner
- Lessee
