Thank you for submitting the CIL Additional Information Form showing the GIA.

Based on the numbers you have given, CIL liability will be calculated as below. Please be aware that the CIL quoted is subject to indexation charges, in accordance with CIL reg 40. As there is a CIL liability for this development, there is a requirement to submit the Assumption of Liability (form 2) prior to the commencement of development. If form 2 is not received prior to commencement, a surcharge of £50 per person liable to pay CIL will be applied in accordance with CIL reg 80. In addition, we will be required to apportion liability between the owners of the land and impose a surcharge of £500 per owner.

Please be aware that exemptions and reliefs are not applied automatically. More details regarding applying for exemptions and reliefs can be found on our webpages:

<https://www.west-norfolk.gov.uk/CIL>

CIL payments are triggered on commencement of development and will be payable 60 days from this date.
