Description of the Proposal
Please note in regard to:
 Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance. Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below. Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

✓ Yes◯ No
Is a new or altered pedestrian access proposed to or from the public highway? ⊘ Yes ○ No
Are there any new public roads to be provided within the site?
○ Yes ② No
Are there any new public rights of way to be provided within or adjacent to the site?
○ Yes ② No
Do the proposals require any diversions/extinguishments and/or creation of rights of way?
○ Yes② No
If you answered Yes to any of the above questions, please show details on your plans/drawings and state their reference numbers
A new singular 3.5m wide access is proposed into the site, to highways spec (tarmac) for the first 5m off the carriageway. The access offers good visibility in both directions of Trinity Road. The carriageway sits higher than the site so the proposed access will naturally fall into the site and so will surface water from the access, to then drain onto the gravel drive.
Within the site, there is ample driveway space to park cars, turn and leave the site in forward gear.
Vehicle Parking
Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove any parking spaces?
✓ Yes○ No
Please provide information on the existing and proposed number of on-site parking spaces
Vehicle Type: Cars Existing number of spaces:
Total proposed (including spaces retained):
Difference in spaces:

Trees and Hedges
Are there trees or hedges on the proposed development site?
✓ Yes○ No
And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?
✓ Yes○ No
If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside the application. The local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.
Assessment of Flood Risk
Is the site within an area at risk of flooding? (Check the location on the Government's <u>Flood map for planning</u> . You should also refer to national <u>standing advice</u> and your local planning authority requirements for information as necessary.)
✓ Yes○ No
Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?
○ Yes② No
Will the proposal increase the flood risk elsewhere?
○ Yes② No
How will surface water be disposed of?
☐ Sustainable drainage system
☐ Existing water course
✓ Soakaway
☐ Main sewer
☐ Pond/lake
Biodiversity and Geological Conservation
Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?
To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.

○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development⊙ No
c) Features of geological conservation importance
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development② No
Supporting information requirements
Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.
Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.
Your local planning authority will be able to advise on the content of any assessments that may be required.
