

Planning application APP/2012/0205/APB

Discharge of condition 3.iii.

Regarding the discharge of condition application for Vine Cottage, Manton, relating to the requirement to submit details of the proposed windows, I confirm that I have today spoken to Jo in planning support at Rutland County Council, and she has confirmed to me that there are no additional supporting documents required to discharge this condition, other than details of the windows proposed.

Kind regards,

Mark Porter
