Advice was originally sought for the erection of a single dwelling towards the rear of No.27 Main Street. The proposals were viewed as 'infill development' and as such, the principle of development was highly likely to be considered unacceptable. Hence, new proposals focus on the adaptation of the existing cottages and a new extension.

- (a) a member of staff
- (b) an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
