Screening Opinion - Waste Treatment facility for properties on Dock Road, Sharpness

Dear Sirs

I am writing to see a screening opinion from the Council in respect of a proposal to install a wate treatment facility to serve residential properties on Dock Road, Sharpness. I attach a detailed letter, setting out the proposals and assessing their potential environmental impacts together with plans which identify the scheme including manufacturers details of the system to be installed.

The Trust is looking to progress with a planning application as soon as possible and an early decision on the screening opinion would be appreciated.

Kind Regards
