Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- Yes
 No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The proposal is to create a new residential access from Hazel Cottage onto Top Hill, which is an unclassified road. Therefore the proposal is considered lawful under The Town and Country Planning (General Permitted Development) (England) Order 2015 Schedule 2 Part 2 Class B – means of access to a highway

Permitted development

B. The formation, laying out and construction of a means of access to a highway which is not a trunk road or a classified road, where that access is required in connection with development permitted by any Class in this Schedule (other than by Class A of this Part).

A plan showing the proposed development is attached (H6519 105).

Does the proposal consist of, or include, a change of use of the land or building(s)?

- Yes
 No

Has the proposal been started?

- Yes
 No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing use of the land is residential curtilage for Hazel Cottage

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Please note that following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Information about the proposed use(s)

Select the use class that relates to the proposed use.

 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

- Yes

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
(b) an elected member
(c) related to a member of staff
