It is advised that the applicant explore options with reducing the depth of both the single storey rear and two storey side extensions, particularly in close proximity to the respective shared boundaries, to allow for any future planning application to be more likely to be supported. It is advised that you study the Council's Householder Applications SPG (2004) as this provides useful guidance on what is likely to be supported. The onus is on the applicant to demonstrate that there would be no significant impact to the occupiers of neighbouring residential properties.  A site visit is required on receipt of a planning application for the impact upon residential amenities to be fully assessed.
Authority Employee/Member  With respect to the Authority, is the applicant and/or agent one of the following:  (a) a member of staff  (b) an elected member
(c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply?  ○ Yes  ⊙ No
