

Soil Management Statement

Project Name: Garden Cottage, Shotters Lane, Newton Valence, Alton,
Hampshire, GU34 3RJ

Reference:

Date: 17/06/2022

The proposed dwelling will be 280.7 sq metres GIA (49.4 sq meters extension). There will be a requirement to remove soil from site during excavations. Where practical, some soil will be left on site, however the contractor will be required to remove soil and take to a registered soil disposal site.
