Hello Chris

I hope this finds you well and enjoying the weather !

I have today viewed a broken beech limb at Sue Ryder Care in Leckhampton.

The tree is situated on the back lawn behind the main building where they are soon to be holding their annual fete.

I intend to climb the tree, remove the broken limb and any large deadwood.

Please take this as 5 days notice to carry out this work.

Please may I 'whatsapp' you a photograph of the broken limb - I will need a number please.

Many thanks

Kind regards

Paul
