Dear Sir/Madam,

Advertisement Consent for Signage at South Craven Baptist Church, Holme Lane, Sutton-in-Craven

Please find attached an application for display of advertisements at South Craven Baptist Church (formerly known as Sutton Baptist Church).

This proposed development comprises two signs; one with the logo of the church, to be constructed from 5mm acrylic lettering, and the other displaying the logo and the website of the church to be constructed from folded aluminium composite lettered with cut vinyl graphics.

These signs are intended to identify the church and be of suitable scale to be visible from the public highway. It is intended that these signs would remain in place for the operational life of the church, but the application refers to an indicative date of 2032.

The application form is accompanied by a location plan, images of the current appearance and dimensions of the building and images showing the location and dimensions of the proposed signs.

Should you have any queries or require further information, please do not hesitate to contact me. Otherwise, I look forward to hearing from you.

Yours faithfully,

James Clarke
on behalf of South Craven Baptist Church
