

© Alan Wade Site Engineering Ltd.
 Notes:
 1. This drawing should only be used for its original intended purpose.
 2. Critical dimensions, levels, clearances etc. should be checked on site before construction work commences.
 3. Grid and datum relate to OSGB36 National grid and OS datum Newlyn established using network RTK GPS (Leica Smartnet). OSTN15 and OSQM15 used. No permanent survey stations were left on site.
 4. Detail obscured at time of survey may not be recorded.
 5. Dimensions in metres unless otherwise stated.
 6. Contours at 1.0m vertical intervals.

| Legend | |
|-------------|------------------------------|
| BB | Ballard |
| BH | Belisha Beacon |
| BT | Barehole |
| B/W | British Telecom cover |
| CATV | Barbed Wire |
| C/B | Cable television cover |
| C/L | Chain Link |
| CL | Close Boarded |
| CH | Cover Level |
| Conc. | Chain Link |
| C/P | Ceiling Height |
