To whom it may concern.

As previous owner of Sand Farm House, it was always my inte to sell the furthest part of my garden to Mr & Mrs Hobbs. Finance was the issue at the time. I was prepared to wait until Mrs Hobbs, finances improved enough for them to purchase th rest of my garden. I was in no hurry and it was promised when purchased the farm house. Should you wish to discuss further, please don't hesitate to cor me

Yours Faithfully
