Why do you consider that a Lawful Development Certificate should be granted for this proposal?

I am wanting to make use of the land to the side of my business premises. This space is currently used for parking.

We are a growing business and would massively benefit from more space. Therefore, I would like to place 3 small, stand-alone, log cabins in this space. We are not making any permanent changes to the environment, the cabins are wooden and can be removed if or when we move on from the property. They only need electric running to them, no plumbing or other permanent building work required.

They will be inkeeping with the environment, (treated wood) and will be used for quiet treatments such as massage and facial, during our business hours.

The 3 extra spaces will help the business to grow and possibly provide extra job positions within the community. As well as providing a wider range of wellbeing appointments for clients, in our ever growing village.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

Interest in the Land

Please state the applicant's interest in the land

- Owner
- Lessee
- Occupier
- Other

If Lessee or Occupier, please give details of the owner and state whether they have been informed in writing of this application
