3. Trees - Additional Information

Additional information may be attached to electronic communications or provided separately in paper format.

For all trees

A sketch plan clearly showing the position of trees listed in Question 7 must be provided when applying for works to trees covered by a TPO. A sketch plan is also advised when notifying the LPA of works to trees in a conservation area (see guidance notes). It would also be helpful if you provided details of any advice given on site by an LPA officer.

For works to trees covered by a TPO

Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application must be accompanied by the necessary evidence to support your proposals. (See guidance notes for further details)

1.	If YES, you are required to provide written arboricultural advice or other diagnostic information from an appropriate expert.	Yes	├ No
2.	Alleged damage to property - e.g. subsidence or damage to drains or drives. If YES, you are required to provide for:	T Yes	┌ No
	Subsidence A report by an engineer or surveyor, to include a description of damage, vegetation and repair proposals. Also a report from an arboriculturist to support the tree wor		g data, soll, roots
	Other structural damage (e.g. drains, walls and hard surfaces) Written technical evidence from an appropriate expert, including description of d	amage and po	ossible solutions.

Documents and plans (for any tree)

Are you providing separate information (e.g. an additional schedule of work for Question 7)?

☐ Yes ☐ No

If YES, please provide the reference numbers of plans, documents, professional reports, photographs etc in support of your application. If they are being provided separately from this form, please detail how they are being submitted.

If Yes, please provide details of the name, relationship and role THE PARK HABBIGER BY HABBIGER Only one copy of the application form and additional information (Question 8) is required. Please use the guidance and this checklist Only one copy of the application form and additional information (Question 8) is required. Please note that failure to supply precise and detailed information may result in your application being rejected or delayed. You do not need to fill out this sect out it may help you to submit a valid form. Sketch Plan A sketch plan showing the location of all trees (see Question 8) Clear Identification of the trees concerned A full and clear specification of the works to be carried out For works to trees protected by a TPO see Question 7) Tave you: Stated reasons for the proposed works? Provided evidence in support of the stated reasons? In particular: If your reasons relate to the condition of the tree(s)-written evidence from an appropriate expert If you are alleging subsidence damage - a report by an appropriate engineer or surveyor and one from an arboriculturist. In respect of other structural damage - written technical evidence Included all other information listed in Question 8? 11. Declaration - Trees We hereby apply for planning permission/consent as described in this form and the accompanying plans/drawings and additional formation.
