

# AIR QUALITY MITIGATION STATEMENT

Proposed Dwelling

Address: 74 Birches Lane, Kenilworth, CV8 2AG

Planning Application number 22/0922

The NPPF (paragraph 152) suggests that “where adequate mitigation measures are not possible, compensatory measures may be appropriate”.

The proposals fall under the TYPE 1 (Small impact) category to which we will propose the default Mitigation of an electric charging point per unit to comply with the policy.
