Applications cannot be validated until all the necessary documentation has been submitted and the required fee has been paid.

Thank you for completing this application form:

ONLINE REFERENCE 100580688-001

The online reference is the unique reference for your online form only. The Planning Authority will allocate an Application Number when your form is validated. Please quote this reference if you need to contact the planning Authority about this application.

Application for Prior Notification and Prior Approval

This form is to be used for notifying the planning authority that you intend to carry out certain development which is "permitted development" for the following types of proposals: *

- T Farm-related building works (non-residential)
- ≤ Forestry-related building works (non-residential)
- ≤ Demolition of buildings
- ≤ Electronic Communication Code Operators

Please see the guidance notes for additional details and an explanation of the procedures.

Please note that the form should not be used to apply for planning permission – advice and appropriate forms for planning applications can be provided by the planning authority.

NB You should not use this form if your site is located within a "Natura 2000" site. If you are not sure about this you should contact the planning authority.

Declare – Prior Notification and Prior Approval

I/we hereby give prior notification to the planning authority that I am/the applicant is intending to carry out the works described in this form and accompanying plans/drawings and additional information.

I certify that the proposed building works are required for the purpose of agriculture and/or forestry and will be designed accordingly. None of the works includes the construction, extension or alteration of a dwelling.

I/we hereby give prior notification to the planning authority that I am/the applicant is intending to carry out the works described in this form and the accompanying plans/drawings and additional information.

I confirm that the building has not been rendered unsafe by the action or inaction of any person with an interest in the land and it is not practicable to secure the safety of the building through repair or temporary support works.
