The window dimensions are:

1425 mms x 950 mms. They are both the same size.

I will now order the site location plan and await your advice re elevational photos.

Many thanks and kind regards

Good Afternoon,

Thank you for providing the attached design and access statement, which I can confirm we're happy to accept. Still remaining are the site location plan, window dimensions and elevational photos mentioned in the initial invalid letter, once these have all been received we'll be happy to validate your application.

Kind Regards,

Alex Darvill

Further to my application for Listed Building Consent, reference above, I am now attaching a Design and Access Statement which I trust you will find sufficient to support my request to replace two windows.

I look forward to hearing from you and thank you in advance for your kind consideration.

Vicki George (Mrs)
