

**1 North Elevation (Proposed)**  
1 : 50

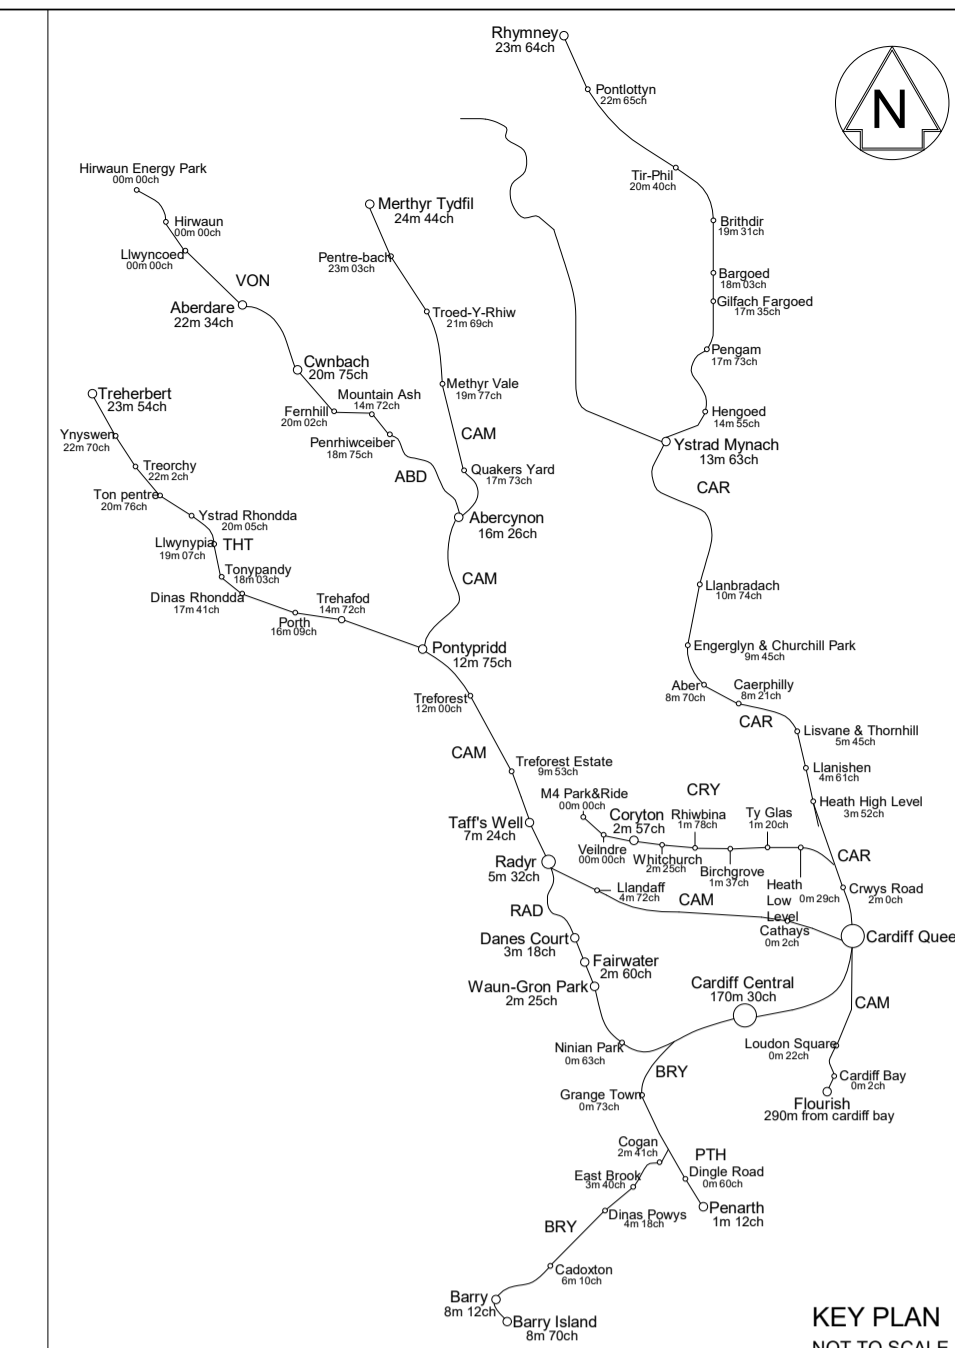

**2 South Elevation (Proposed)**  
1 : 50

**3 West Elevation (Proposed)**  
1 : 50

**4 East Elevation (Proposed)**  
1 : 50

- Legend**
- 01 New fixed double glazing in polyester powder coated aluminium frame. Colour-White/Dark grey.
  - 02 New double glazed door, side panel and over panel in polyester powder coated aluminium frame. Colour-White/Dark grey.
  - 03 Metal protection barrier. Colour-White/Dark grey

**Safety, Health and Environmental Information**  
Notes below are additional to hazards/risks normally associated with this type of work:

**Construction**

- To be read in conjunction with Built Environment Stage C Preliminary Design Report for RSSRHY Rhymney;
- Further development in Stage E.

**Operations**

- To be read in conjunction with Built Environment Stage C Preliminary Design Report for RSSRHY Rhymney;
- Further development in Stage E.

**Maintenance**

- To be read in conjunction with Built Environment Stage C Preliminary Design Report for RSSRHY Rhymney;
- Further development in Stage E.

**Dismantling/Demolitions (Future)**

- To be read in conjunction with Built Environment Stage C Addendum to Preliminary Design Report for RSSRHY Rhymney;
- Further development in Stage E.

These notes are based on the use of experienced and competent contractors carrying out the work using an approved safe method of working.

**General Notes**  
This is a Preliminary Design Stage C drawing issued for Information and Illustration Purposes only showing design intent content to be developed by the Stage E Designer to Construction Status. This drawing is to be read in conjunction with all other architectural information and, information from other disciplines (MEP, Structures, Geotech, Track, Telecoms, Signalling etc) and specialists (e.g. Fire Consultant). The content of the drawing is subject to surveys and approval by the Client, the Planning Authority, Building Control and, the Fire Officer.

1.The drawing shall be read in conjunction with Drawing Nos.
