PROPOSED NEW DOOR FOR
Park View Cottage, Fore Street, Morchard
Bishop EX176NT

For the purpose of planning application
18/07/2022

Drawing ProposedDoorA3

NOTE:

the door is proposed to be a more traditional plain, wide boarded oak door with a tongue, groove and beaded board joint and a weather board at the bottom. Fitted with the current night latch and traditional flanged rim lock.

The current door is an interior part glazed door which has been altered to all solid panels but is only 27mm thick, a bit flimsy soft wood and not secure in poor condition with rotted tennons and wood worm damage
