Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

1. Proposal to repair, maintain and re paint all external windows and woodwork in RAL R263C, and to paint the window lintels RAL W39A (please see separate document showing colours and proposed paint scheme).

All external windows on the farmhouse are in need of repair and general maintenance, the putty is crumbling and in many areas has come away in full. The outside of house looks tired and the dark brown colour of the woodwork is not attractive nor particularly in keeping with its heritage. The house and outbuildings dark brown colour does not match the annex woodwork and we wish to paint all the property's external woodwork in a uniform colour to smarten the property up and preserve it. We will scrape away all the old putty and replace with new putty. We will sand down the woodwork and paint a protective undercoat before painting the new colour overcoat. We will also do some maintenance on the front door of the property and the woodwork, and will also paint these in keeping with the colour scheme for the windows (separate document attached showing proposed colours).

2. Proposal to replace the two kitchen doors at the back of the house with like for like replacements which will provide better security for the house
