PROPOSED SIDE (Northeast) 1:100

0m 0.50m 1.00m

PROPOSED FRONT DOOR 1:20

PROPOSED FRONT (Northwest - Mill Lane) 1:100

CONSTRUCTION (DESIGN & MANAGEMENT) REGULATIONS 2015

The Principal Contractor is reminded of their responsibilities in respect of Health and Safety and shall make due allowance for compliance with the Construction (Design and Management) Regulations 2015.

This Residual Risk Register forms part of the Health and Safety File, and shall be used to generate a Construction Phase Plan as required under the CDM Regulations 2015 by the Principal Contractor.

ID	Description	Date

This drawing is the copyright of Plan-It Design. It may not be copied or altered in any way without written authority. Do not scale from the drawing, work to figured dimensions only. Scaling should only be done for Planning Authority purposes. All dimensions are to be checked by the Contractor on site and any discrepancies must be reported to Plan-It Design immediately.

Work should only commence when Planning Permission and Building Regulations Approval has been granted. If work is started prior to gaining the relevant statutory approvals, this will be entirely at the risk of the Client. Note: This also applies to Listed Building Consent.

Party Wall ect Act 1996: If building on a line of a junction or excavating close to an adjacent structure, the Act may apply and it is the responsibility of the Building Owner to serve the appropriate Notice on the Adjoining Owner, in accordance with the Act. Failure to adhere to the Act will be entirely at the risk of the Client.

It is the responsibility of the Client to ensure that all Local Water Authority stipulations are complied with, in regards to drainage if building over or close to adopted (public) sewers.
