Dear Sir/Madam,

Hinton House 15 Aston Abbotts Road Weedon Buckinghamshire HP22 4NH

T1 Poplar

Fell to ground level and remove all arisings.

SBTS visited the tree and it presents large ganoderma fungal brackets in multiple places around base, there is a large cavity of main stem at top of tree, very close to electrical cable, leans over cable and road.

Thank you for your application which was registered on the 25th August 2022. The application is being dealt with.

There is no fee necessary for this application.

If I have not sent you a decision by 20th October 2022 and you have not agreed to extend the period for the Council to make a decision, you then have a period of 28 days in which you can lodge an appeal with the Secretary of State for the Environment on a form available from the Department of the Environment, Eastern Regional Office (Environment), Heron House, 49-51 Goldington Road, Bedford, MK40 3LL. You will appreciate that it is not always possible for an application to be dealt with within the period given, and you may wish to contact this office before proceeding further with an appeal as once an appeal is lodged, a decision on the application cannot be made by the Council.

To ensure our records are always up to date, please let us know if you change your postal or email address.

Yours faithfully,

The Business Support Team
