Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

We mistakenly had timber frames listed as the proposed material. We'd like to install black aluminium framed double glazed units in the new extension (none of which will be visible from the road). Currently we have modern black painted wooden double glazed units in all rear, side and modern parts of our house. The reason for this request is to limit maintenance on the new extension, so that effort and expense can be directed at the historically significant parts of the house, some of the windows of which are in need of attention as is one section of timber frame.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Variation of condition 3 to allow for aluminium units to be used.
