

25 July 2022

Dear Sirs,

Re – Full Planning Application – Installation of a Packaged Sewerage Treatment Plant at 3 Clockhouse Square Andoversford GL54 4LY

Please find the following documents in support of our application for permission to carry out the above works: -

- Block Plan.
- Site Plan.
- Proposed Plan.
- Existing Plan.
- Reponses to CIL Questions.
- GA drawing of typical packaged treatment plant
- Packaged Treatment Plant Performance Certificate
- Design & Access Statement.

Bromford is the owner of No 3 Clockhouse Square since the merger with Fosseway Housing Association in 2008. A legacy of the original construction No 4 Clockhouse Square is connected to the same septic tank system.

The septic tank is of the original brick-built construction and therefore it has reached the end of its operating life. To that end we propose to replace the septic tank system with a modern packaged treatment plant and enclose the relevant information for your review.

Kind Regards

Richard Hicks
