If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The provision of a hard surface in the rear garden measuring 14.25m by 6.75m and not exceeding 30cm above ground level in connection with the provision of a twin unit mobile home measuring 14.05m by 6.5m (not operational development) for use as additional accommodation by family members as part of one household (not a material change of use)

## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The property is an established C3 dwelling house with gardens. The provision of a mobile home within the existing lawful planning unit to provide additional accommodation for family members as part of one household will not comprise development.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

#### Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- Permanent  
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed twin unit mobile home complies with the legal definition of a caravan in terms of size, assembly and mobility and will be used as additional accommodation to the existing dwelling and as such will not comprise either operational development or a material change of use and is not therefore development within the meaning set out in S.55 of the Town and Country Planning Act 1990. Please see the planning report and appendices submitted with the application.

The proposed hard standing is within the curtilage of the lawful dwelling and is for purposes incidental to the enjoyment of the residential use, as such it benefits from deemed consent pursuant to Schedule 2, Part 1, Class F of the Town and Country Planning (General Permitted Development) Order 2015.

Note: in answer to the question in this section of the form concerning the permanency of the use, the reply that it is permanent is given in the context that there is no change of use, the additional accommodation, although temporary in nature, is part and parcel of the single main lawful use as a dwelling house which will continue in perpetuity, also the hard surface is permanent development. Nonetheless the caravan is not intended to be a permanent addition to the land and can be readily simply removed once it is no longer needed.

## Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes  
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent
- The applicant
- Other person

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
